English Language and Phonics News:

It has been a very busy couple of months in the English department with all classes making excellent progress in their respective programmes.

PN children have become more confident to use their oral language skills and now participate excitedly in lots of singing and role-play activities. They especially enjoyed the Christmas stories and games.

KG children have been delving even further into the world of phonics and literacy through multi-sensory activities such as writing letters in sand, forming letters with play-doh, tapping out sounds on body parts, using magnetic letters to spell words, matching pictures and sounds/words and playing 'I Spy'.

We would like to wish everyone a Merry Christmas and a Happy New Year from Ms Anna and Mr Jojo 🎄🎅.

What a joyful and busy end to the year we've had! Our little explorers set off on a fantastic field trip to the airport in November. We saw huge aeroplanes up close and learned about all the busy people who work there—it was so exciting! Then in classes, we put on our chef hats! During our fun cooking: careful measuring, gentle mixing, and lots of creativity. Our classroom was filled with all kinds of chef-themed artwork we made with our own hands. The most deliciously fun memory was definitely the Anpanman Birthday Party! We sang, danced, and celebrated together—it was an absolutely unforgettable experience! You have all grown so much this year though exploring the world and creating wonderful things.
